

Dear Homeowner,

Recently, you were sent an email with the information for the SBCA Annual Meeting to be held on March 1, 2021 at 7 PM. The link for the Annual Meeting is below so you can join us electronically via Zoom. All you need to do to join us is click on the link and follow the instructions. Due to the number of people who will be joining us, everyone will be muted for the business portion of the meeting. Once we open the meeting up for questions and discussion, you will be able to raise your hand (virtually) by clicking the reactions button at the bottom of the screen and clicking on "raise your hand", you will then see a yellow hand on your screen. (Drag your mouse to the bottom of the screen for a menu display). The administrator of the meeting will unmute you so everyone can hear your comments. Once finished with your comments, you will need to click on the yellow hand to remove it from your screen. We will be limiting each person to 3 minutes of discussion due to time constraints and so everyone who wishes to speak will be able to.

If you wish to join the meeting via telephone, rather than electronically, there are numbers at the bottom of the invitation to call, you will need to enter the code number.

We know this type of meeting is not ideal, however, in these challenging times it is not safe to hold a meeting in the clubhouse, as well as we recognize that some of you made the difficult decision not to come this year due to the virus. Please know we are trying to make this as easy as possible, but it is the first time for us using this method so there may be a glitch or two, please be patient with us.

If you are unable to hear us, please check your audio on your computer, and if you can not see us, please check the little video camera - you may need to click the video camera on the bottom of your screen (Drag your mouse to the bottom of the screen to see the menu).

If you haven't sent in your Proxy, please do so before Monday.

We look forward to seeing you (on the screen) Monday night!
